You are required to supply your own table with dimensions no bigger than 6ft in length by 2.5ft in depth. You will have additional space at the side of your stand for access only. This will be your only selling space. Wooden decorating tables cannot be used due to safety reasons. If you feel you require more selling space please call to discuss your requirements and extra space will be reviewed.

OTHER BITS..

Your table must be covered by cloth on all 4 sides.

With us trading in one of Lancasters' busiest shopping centres, space is quite tight behind the stands and must be tidy with **everything** hidden from view. You will have space for one chair and one small wrapping station.

Your stand must be fully set up and manned during all trading hours.

Please note we set up and pack down daily.

No children under the age of 15 are allowed behind the stands at any time.

The SELECTION PROCESS will use the following criteria...

1. **PRODUCT.** What you make/create. There will only be a limited amount of stands so duplication will be avoided and we aim to select a mix of product that creates a great choice and a varied selection for our visiting public.
2. **PERSONALITY.** Meet the Makers has always been about the customer meeting the artist and feeling the personality that has made their gift.

3. **LOCALITY.** Our aim will be to have 80% of our artists from in and around Lancaster and the surrounding areas.

Finally our commitment to you will be to create a safe selling space, in a prime location, fully promoted through local press, social media and promo flyers. Last but not least to be fair and consistent in our approach.
